Response to Request to Correct Nucleotide Sequence Listing

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants received a request to correct the sequence listing for application number 10/797,262 and are submitting a corrected electronic copy. Specifically, the sequence listing previously submitted indicated that there were 12 sequences, while there were actually 11. This entry at item 160 has been corrected in the presently-submitted sequence listing.

Respectfully submitted,

/Donna J. Russell/
